A Place for People

Our philosophy is to acknowledge the fact that the person who has died is a member of the community. It is the community that supports the family and we merely provide the facility and services to make that happen. Our buildings are people friendly. Close attention is paid to details concerning the comfort and convenience of families. Both facilities are on one level and completely accessible to every visitor.

OUR MISSION STATEMENT

TO HELP families celebrate a life and mourn the loss of someone they loved.

TO PROVIDE an environment that includes barrier free access and to provide caring, professional services to families experiencing a death.

TO SERVE families of all faiths and cultures with sensitivity and compassion.

TO DEVELOP a relationship of trust with the families we serve, our community, our staff and our suppliers.

TO EDUCATE families and the community so that informed decisions can be made during times of vulnerability and emotional stress.

TO ENCOURAGE families to consider the value of pre-planning and pre-paying funeral arrangements.

TO TREAT families as we would treat our own families with tenderness, dignity and respect.
